Subject: Docket #92-235

Gentlemen:

As County Commissioner of Washington County, Oklahoma, I wish to register a strong objection to your proposed replacement of Part 90 by Part 88 to revise Private Land Mobile Radio Services and modify the policy governing them. (F.C.C. Docket #92-235)

My Department uses mobile and hand-held radios. Replacement of these units as required by the proposed rule change would require an exorbitant outlay of money which our county government cannot afford.

In view of the above, I respectfully request you forego the proposed rule change and seek a more favorable solution.

Sincerely,

Lee Chew
